Colour of the Year 2021

BRAVE GROUND™

Unearth courage to embrace change

Brave Ground™ (10YY 30/106 Wright Stone), is a warm, natural neutral that connects us back to nature and the simple things. Empowering and earthy, the color provides a firm foundation for living. Evoking a sense of security, growth and potential, it helps create environments that give us the courage to embrace change.

A bolstering, balancing shade that gives us a firm foundation, Brave Ground™, is also a colour that lets other shades shine. Around it, we've put together four easy-to-use palettes to inspire you to take the first step and start a transformation at home.

TIMELESS COLOURS

BALANCED AND OPEN

Energising but not overpowering, these classic and contemporary colours create an inspiring, neutral backdrop to help us feel ready for the future.
